

ONLINE TENANT NETWORK LISTING

On the Kew website we have a Tenant Network, listing contact information for and brief descriptions of tenants' businesses to facilitate networking among tenants. With it, tenants can locate suppliers, new clients, and partner firms. Many tenants have been asking for this over the past few years, and we are happy to be able to make it available. If you would like to make yourself known to your fellow tenants, please fill out this form and return it to the Kew Office.
